1) Park at the Touch Football Fields (Norris Road Playing Fields).
2) Cross the access road.
3) Walk on the footpath.
4) Cross Scriha Street.
5) Continue walking up Norris Road on the footpath to Fitzgerald State School.
Everyone can TravelSmart

TravelSmart and make a difference – you only need 10 minutes a day to change your travel behaviour. Park and Walk – by parking your car a short distance from school and walking the remainder of the journey, you can avoid traffic congestion at the school gates.

Walking is an affordable, fun and healthy way to travel to school. Spend quality time with your family and others in your school community while you Park and Walk.

Create a safer school environment and take the time to explore your local area. Travelling smart improves health and fitness, reduces traffic congestion, stress and pollution.

Important safety information

It’s important to teach young children about being safe as a pedestrian, cyclist or passenger. Children learn best in a real traffic environment under the supervision of a caring adult.

As a general rule, children up to the age of 10 should be accompanied by an adult, as they are yet to acquire the necessary knowledge and skills to keep themselves safe.

Stop, Look, Listen & Think

Children should practise the correct road crossing procedure.

Stop one step back from the kerb.
Look in all directions for approaching traffic.
Listen in all directions for approaching traffic.
Think – is it safe to cross the road? Is it clear and has all traffic stopped?

When crossing the road, walk in a straight line. Keep looking and listening for traffic while crossing.

Did you know

- Frequent exercise is the best to reduce stress and improve your overall wellbeing.
- Exercise will make you feel energised, happy and have a positive effect on your day.
- By just walking 400 metres you can burn 25 calories or 105 kilojoules.
- An average person can walk 400 metres in five minutes.
- By parking and walking the remainder of the journey, you can take time to catch up with other parents and carers, talk while you walk, or simply take time out for yourself.
