## Volunteers

The Tuckshop cannot operate without our wonderful volunteer pool of Tuck Shop Champions. If you are able to spare 10 minutes, an hour, or more, please join us for some fun in the kitchen. The work is easy and involved salad preparation, making pikelets, sandwiches, putting orders together and light washing up. Your kids/grandkids will be thrilled to see you there and you will be making a worthwhile contribution to our schools fund-raising. If you are interested simply call in and see Antoinette or **call us on 4965 6333**.

## Ice Block Parties

If your child is celebrating a birthday, we can arrange ice blocks for the class from as little as \$0.80 per head. This is an inexpensive alternative to costly cakes or hours of baking and is also great for children with food intolerances. Please call in and see Antoinette to organise this special treat. **Note; 24 hours' notice is needed for this service.**

## Heating Food from Home

Due to strict guidelines from Queensland Health we are unable to heat or reheat foods brought to school from home.

## Food Allergies

If your child/ren suffers from any food allergies and you are concerned about ordering from the Tuckshop, please feel free to see Antoinette or phone to discuss these concerns.
